

A-Series Promotion

Exclusive to Nuvias UC partners

With Yealink's current A-Series promotion, you can unlock a **22% discount** on the video bars for the remainder of the quarter, which results in loads of additional margin for you!

How does it work? The more A20/A30 units you buy, the better the discount!

- Buy 1 -2 units for 10% off
- Buy 3 - 5 units for 15% off
- Buy 5 - 9 units for 18% off
- Buy 10+ units and get 22% off your A-series orders all quarter!

How to claim your discount:

This offer is exclusive to Nuvias UC, so you will need to contact your account manager or call our team on 01635 225000 to place your order.

Offer available until 31st December 2022.

More about the Yealink A-Series:

Designed with simplicity, Yealink MeetingBar A20/A30 combines a conference room webcam, microphone and speakers within an all-in-one system.

No PC or individual components are required for your customers to access MS Teams within small, medium and large meeting rooms. These devices are plug 'n' play and can be set-up within minutes. Therefore, greatly reducing the time needed for deployment and management. In addition, attaching a CTP18 touch panel offers better meeting control.
